

SESSION 5: COACH

Culture in action

Planning for the season

COACH OBJECTIVE

You embed the culture agreements in daily training and match routines. The culture becomes operational: players know what they can expect from themselves and each other.

COACH NOTE

This is the integration session: bring everything together. Reference sessions 1 to 4 and let players see how much they've already built. Your job now is to make sure the culture doesn't fade once the season begins. Schedule check-ins at fixed moments.

ACTIVITIES**1 Culture review**

⌚ 10 min

Let players look back at sessions 1 to 4. What did we agree on? What did we learn about trust, conflict, and identity? Make a visual summary on the board.

2 Scheduling culture moments

⌚ 10 min

Plan concrete culture moments for the season together. For example: a monthly check-in, appoint a culture captain, game day rituals. Write this down and put it in the team calendar.

3 Individual commitment

⌚ 10 min

Each player writes on a card: my contribution to the culture this season is. Cards are kept by the coach and returned after two months as a reminder.

NOTES

DISCUSSION QUESTIONS

- What will you take away from this preseason culture week?
- Which agreement do you personally find hardest to keep? How will you approach that?
- What will our team look like in three months if we really live this?

CLOSING

Close the preseason culture week with a powerful moment: read the team contract together, everyone stands up, one hand in the middle. This is who we are. Win the person. Win the team.
