

SESSION 3

My goals

What do you really want, as an athlete and as a person?

"A goal without a plan is just a wish."

EXERCISE: DREAM BIG, THINK CONCRETE

Step 1: write WITHOUT filters what you want to achieve in sport. (Nothing is too big)

Step 2: write WITHOUT filters what you want to achieve as a person outside sport.

Step 3: from both lists choose your TOP 1 goal for this season and TOP 1 goal for 3 years from now.

WRITE

1. My biggest sports dream (without limits) is...

2. In 3 years I want to be (as a person, outside sport)...

3. My goal for this season is... What does success concretely look like? What do I do differently than now?

**BEFORE OUR CONVERSATION**

- Ask yourself: are these MY goals, or the goals of my coach/parents/environment?
- What would you do if no one was judging you?

FREE REFLECTION**AFTER OUR CONVERSATION**

- Which goal feels most like mine?
- What is the first small step I can take next week?

⚡ MY ACTION: Write your season goal on a card and put it somewhere you see every day. Also tell one person you trust.

My commitment:
