

COACH PRESENTATION

Culture in action

Planning for the season

— GOAL OF THIS SESSION

You embed the culture agreements in daily training and match routines. The culture becomes operational: players know what they can expect from themselves and each other.

COACH NOTE

This is the integration session: bring everything together. Reference sessions 1 to 4 and show players how much they built. Your job now: keep the culture from fading once the season starts. Schedule check-ins at fixed moments.

Culture review

🕒 10 min • Exercise 1/3

Let players look back at sessions 1 to 4. What did we agree on and learn about identity, trust and conflict? Make a visual summary on the board.

Scheduling culture moments

🕒 10 min • Exercise 2/3

Plan concrete moments for the season: a monthly check-in, a culture captain, game-day rituals. Put them in the team calendar.

Individual commitment

🕒 10 min • Exercise 3/3

Each player writes on a card: my contribution to the culture this season is ... The coach keeps the cards and returns them after two months as a reminder.

DISCUSSION QUESTIONS

- ? What will you take away from this preseason culture week?
- ? Which agreement do you personally find hardest to keep, and how will you approach that?
- ? What will our team look like in three months if we really live this?

CLOSING

Close with a powerful moment: read the team contract together, everyone stands up, one hand in the middle. This is who we are. Win the person. Win the team.
