EXERCISE: MY THREE ROLE MODELS

Choose three people who inspire you (sport, music, family, history, anything goes).

For each person:

1. Name:
2. Which quality do I admire most?
3. Do I already have that in me, or is it something I want to develop?

Then look at all three: is there a common theme in what you admire?

WRITE

1. The common thread in my three role models is...

2. The quality of my role model that I feel I most lack is... How can I develop it?

3. Are you a role model for someone? For whom, and what do you see in that person?
