

Leadership from within

GOALS MONTH 7

- You recognize informal leadership in yourself and others without looking at official roles
- You deliberately take a leadership moment at least once a week in training or a match
- You actively invest in the development of a younger or newer teammate

Leadership is not about the captain's armband. Every player can lead at any moment through behavior, attitude, and words. You too.

EXERCISE 1: INFORMAL LEADERS IN OUR TEAM**1 Informal Leaders**

Write two teammates you follow. Not because they are captain, but because they radiate something. What do they concretely do?

Person 1, name:

What makes him/her influential?

Person 2, name:

What makes him/her influential?

EXERCISE 2: MY MENTOR MOMENT**2 My Mentor Moment**

Choose a younger player or new teammate and spend at least 5 minutes with him/her this month.

With whom?

What did I want to share?

How did that person respond? What did I learn myself?

EXERCISE 3: LOG, THE FIRST VOICE

3 Leadership Moments Log

After each training or match, write when you were the first voice or took a leadership moment. What did you do exactly?

What type of leadership do I want to show more?

MENTAL RESILIENCE: PRESSURE AS A LEADER

Write: what do you do as a leader when the team loses and the atmosphere drops? What three concrete actions or words do you use to turn the tide?

"Leadership is not about being in charge. It is about taking care of those in your charge."
