

SESSION 4

My Inner Voice

Does your inner voice sound like a coach — or a critic?

"You have more conversations with yourself than with anyone else. Make sure they're good."

— Zig Ziglar

EXERCISE: MAPPING MY VOICES

Think about a recent moment when you made a big mistake or performed disappointingly.

Write down EXACTLY what went through your head:

- The first thought (honest, raw):
- The sentence you repeated most:
- What you said to yourself "as inner coach":

Then ask yourself: would I say this to my best friend? What WOULD I say to them?

WRITE

1. My inner critic most often says...

2. If I were coaching my best friend in my situation, I would say...

3. One sentence I want to learn to say to myself when things get hard:
