

SESSION 7

My Role in the Team

What do you contribute to your team — beyond what you score or perform?

"The strongest player makes the team stronger, not themselves."

— Character First

EXERCISE: MY TEAM ROLE

Think about your team. Answer honestly:

1. What role do you play in the group? (energy-giver, quiet force, connector, strategist, ...)
2. What do you bring that no one else can?
3. When have you helped someone on the team — not with a game action, but as a person?

Then write: "My unique contribution to this team is..."

WRITE

1. If my team described me as a teammate (not as a player), they would say...

2. I take care of others on the team by...

3. One teammate whose relationship I want to strengthen this season is... Why that person?

**BEFORE OUR CONVERSATION**

- Observe yourself this week: when do you help someone on the team — not because you have to, but because you want to?
- Is there a teammate who is struggling right now? What can you do?

FREE REFLECTION**AFTER OUR CONVERSATION**

- What did I learn about my role in the team?
- One concrete action I will take to be a positive force:

⚡ MY ACTION: Do one deliberate act for a teammate this week — not related to sport. Write down afterward how it felt.

My commitment:
