

SESSION 5 — COACH

Culture in Action

Planning for the season

COACH OBJECTIVE

Coaches embed culture agreements in daily training and match routines. The culture is operationalized: players know what they can expect from themselves and each other.

COACH NOTE

This is the integration session: bring everything together. Reference sessions 1–4 and let players see how much they've already built. Your job now is to ensure the culture doesn't fade once the season begins. Schedule check-ins at fixed moments.

ACTIVITIES**1 Culture review**

⌚ 10 min

Let players look back at sessions 1–4: What did we agree on? What did we learn about trust, conflict, and identity? Make a visual summary on the board.

2 Scheduling culture moments

⌚ 10 min

Plan concrete culture moments for the season together: e.g. monthly check-in, appoint a culture captain, game-day rituals. Write this down and put it in the team calendar.

3 Individual commitment

⌚ 10 min

Each player writes on a card: "My contribution to the culture this season is..." Cards are kept by the coach and returned after 2 months as a reminder.

NOTES

DISCUSSION QUESTIONS

- What will you take away from this preseason culture week?
- Which agreement do you personally find hardest to keep? How will you approach that?
- What will our team look like in 3 months if we really live this?

CLOSING

Close the preseason culture week with a powerful moment: read the team contract together, everyone stands up, one hand in the middle. "This is who we are. Win the person. Win the team."

NOTES

"Champions behave like champions before they are champions."
